Important Note: Please be aware that, due to the process of having an independent examination, your name, your feedback on each policy and your comments may be made public and passed to other bodies involved in the making of the Sutton Neighbourhood Plan, including Central Bedfordshire Council and the official examiner (your address and email address will not be made public).

You may optionally agree to the sharing of your address and email address with organisations or persons with a legitimate interest in the process of making the Sutton Neighbourhood Plan, for example: Central Bedfordshire Council, the official examiner or other statutory consultees.
